Sommelier's Selections

A selection of wines I enjoy drinking

- 1998 Marc Bredif Vouvray** **Loire, France** **89**
This wine shows great purity of expression, with prodigious ageing potential, it is an excellent example of what Chenin Blanc can achieve. Complex notes of flowers, Quince, lanolin, apples, and citrus are integrated in wines that have refreshing acidity which aids their slow evolution.
- 08 Yabby Lake Vineyard Pinot Noir** **Mornington Peninsula, VIC** **142**
This wine exhibits a great depth of colour. Ripe black cherry, dark forest berries and Asian spice marry well with perfumed oak aromas. The palate displays a complex array of ripe small berry characters and spicy oak. The wine has excellent density & concentration and pin point balance. But it is the texture and mouth feel of this wine that we are most excited about, it is rich and velvety with intense Pinot Noir fruit flavours and a powerful long, but restrained finish. This Pinot Noir will age gracefully for at least ten years under ideal storage conditions, a classic vintage.
- 09 Kilikanoon Covenant Shiraz** **Clare Valley, S.A** **99**
The 2009 Covenant Shiraz reflects the celebrated winemaking heritage and varietal riches that the Clare Valley has to offer. The combination of careful shiraz fruit selection, traditional winemaking techniques and maturation in small French and American oak casks has created a wine that is both complex and rewarding.
- 04 Jim Barry Benbournie Cabernet Sauvignon** **Clare Valley, S.A** **177**
The 2004 Benbournie is a mature, refined Cabernet Sauvignon, with complex aromas of blackcurrant, menthol, mint and plum. The palate shows seamlessly integrated blackberry and dark chocolate flavours, with hints of nutmeg and coffee. The ripe, silky tannins give the wine excellent dimensional structure.
- 00 Juniper Estate Cabernet Sauvignon** **Margaret River W.A** **132**
Planted in the early 1970's in the deep gravelly soils for which Margaret River is famous the Cabernet Sauvignon vines from which this wine is made are hand picked and pruned and carefully managed throughout the year to produce exceptional fruit. Made with the utmost care this intensely flavoured and structured wine matured for 20 months in French oak barriques will cellar for many years to come.
- 08 Penfolds BIN 389 Cabernet Shiraz** **Magill, S.A** **153**
Penfolds BIN 389 champions the unique Australian wine style. The structure and definition of Cabernet Sauvignon coupled with richness and depth of shiraz align, courted by the product use of American oak.

Wines by the glass

Sparkling Wine by the glass 125ml

NV Grant Burge

Tanunda

14

“The Blanc de Noirs Style of Sparkling wine is made from gently pressing the traditional grape variety Pinot Noir. Using the traditional method of the Champagne region of France, I have produced a complex and sophisticated Australian sparkling wine in the blanc de noir style”

White Wine by the glass 150ml

11 Wirra Wirra Scrubby Rise Sauvignon Blanc/Semillon/Viognier

Fleurieu, Adelaide Hills, McLaren Vale

9

Crisp and fresh, less than 10% of the blend spends time in seasoned French Barriques. It completes the puzzle and gives you something to ponder while you wrestle with Sauvignon Blanc, Semillon and Viognier

11 Yealands Baby Doll Sauvignon Blanc

Marlborough, N.Z

9

Baby Doll Sauvignon Blanc bursts with flavours of passionfruit and blackcurrant. The palate is fresh and full with a zesty mineral finish

Wines by the glass cont...

Red Wine by the glass 150ml

- 10 Paringa Peninsula Pinot Noir** **Mornington, S.A** **13**
This wine is a fruit driven style that has genuine ripe pinot characteristics with considerable finesse and style. The bouquet and palate has dark cherry fruit flavours and aromas a little spice and subtle oak characters.
- 07 Kingsleys Prime Red Cabernet Merlot** **South Eastern Australia** **8**
“Ripe berry fruit and lifted spice are evident on the nose. Chocolate, cassis and blackberry fruit flavours on the palate are supported by a soft lingering tannin finish”
- 09 Wirra Wirra Church Block Cabernet Sauvignon/Shiraz/Merlot** **McLaren Vale, S.A** **12**
This selection of Cabernet Sauvignon(51%), Shiraz(29%) and Merlot(20%) is another masterful blend. Matured in 70% French oak and 30% American oak barriques for 18 months, it is rich in fruit to enjoy in its youth, but with structure to develop for a decade under careful cellaring
- 10 Alamos Malbec** **Barossa, S.A** **11**
A different style of wine from what we are used to, not as fruit driven as a Barossa Shiraz but a well balanced almost dry and dusty style with a palate that dances on your mouth.
- 08 Ben Schild Reserve Shiraz** **Barossa, S.A** **15**
Our finest Shiraz is carefully selected from the Schild family vineyards and harvested at optimum ripeness. Following open fermentation the wine has matured in American and Hungarian oak for 17 months.

Dessert Wine by the glass 90ml

- 09 Vasse Felix Cane Cut Semillon** **Margaret River, W.A** **14**
“Picked and fermented in French oak. The lovely viscous, silky mouth feel with focused mineral acidity results in a truly delicious dessert wine.”
- 07 Catalina Sounds** **Nelson, N.Z** **14**
“An older style vintage botrytis with hints of orange and marmalade characteristics, finishing with honey.

Cocktails

Kir Royale <i>Australian Sparkling wine & Crème de Cassis.</i>	15
Classic Champagne Cocktail <i>Australian Sparkling served over an Angostura Bitters soaked sugar cube and Grand Marnier.</i>	15

----------------------------	-------------------------	----

Sparkling Shiraz

“Originally known as Sparkling Burgundy, where the wine was first produced with Pinot Noir grapes Sparkling Shiraz is a rich full-flavoured sparkling wine deep red in colour. Sparkling Shiraz marries perfectly with many rich, strong flavoured foods”

02 Yalumba “D” Sparkling Shiraz	Barossa Valley	68
---------------------------------	----------------	----

Riesling

Riesling is a white wine, originating in the Rhine region of Germany. Riesling is an aromatic grape variety displaying a powerful & distinctive flowery aroma. It is almost perfumed with apple, pear and stone fruit that frequently mix in mineral elements. Its high natural level of tartaric acid enables it to balance even high levels of residual sugar as well as high acidity. It is used to make dry, semi-sweet, sweet and sparkling wines.

09	Neudorf Brightwater	Nelson, N.Z	63	
09	Stefano Lubiana	Granton, TAS	65	
10	mesh	Eden Valley S.A	68	Ⓜ
08	Hugel	Alsace, France	84	

Sauvignon Blanc

Sauvignon Blanc grape gets its name from the French word Sauvage (“wild”) and Blanc (“white”). Sauvignon Blanc grapes produce a crisp, dry and refreshing style. Depending on the climate, the flavours range from aggressive to sweetly tropical. The flavours range from sour green fruits of apples, pears and gooseberries through to exotic tropical fruits of melon, passionfruit and pineapple.

10	Baby Doll Yealands	Marlborough, N.Z	42	
10	Ra Nui	Marlborough, N.Z	53	
10	Wither Hills Rarangi	Marlborough, N.Z	58	Ⓜ

Semillon

Semillon is a grape mostly blended with Sauvignon Blanc. It is also used to make sweet white wines. Picked early for low potential alcohol and un-oaked style, it produces a complex, mineral, lemon blossom flavour with notes of grapefruit & beeswax. With several years in the bottle, Semillon undergoes a metamorphosis, putting on weight and exhibiting a buttercup-yellow colour. On the nose it presents burnt toast & honey characteristics, with excellent complex flavours on the palate with a long finish of soft acid.

----	---------------------------------	-------------------------------------	------------------	----

Pinot Gris & Pinot Grigio

The French call it Pinot Gris, the Italians call it Pinot Grigio, and it is a mutant clone of the Pinot Noir grape. The grape has a brownish pink to black and sometimes white appearance. Classic Pinot Gris characters include honey & fresh butter balanced by a touch of tinned pears, dried apples and hay with a slightly sweet finish. Pinot Grigio is often described as having smoky & salty mineral notes. It is often followed by pink grapefruit, melon & lemon & balanced by great acidity.

10 Corte Giara Pinot Grigio IGT Veneto, Italy **49**

Verdelho

Verdelho is mainly used to produce medium-sweet white wines. With modern winemaking techniques such as controlled pellicular macerations (or batonnage where the skins bubble together for 24 hours before pressing) have unlocked some surprising characters from this grape. The resulting wines are aromatic & herbaceous revealing laurel leaf, fresh hay & citrus. They have a full middle palate and with good oak treatment, develop nutty characteristics normally only found in rich Chardonnays.

09 Krinklewood Biodynamic Vineyard Hunter Valley, N.S.W **50**
09 Ashbrook Margaret River, W.A **56**

Chardonnay

Chardonnay is believed to have originated in Burgundy region of eastern France but is now grown in many other parts of the World. The Chardonnay grape itself is very neutral, with many of the flavours commonly associated with the grape being derived from such influences as terroir and oak. It is vinified in many different styles, from the elegant & flinty, to rich, buttery & tropical fruit flavours.

10 Tyrrells Moon Mountain Hunter Valley, N.S.W **50**
09 Stonier Mornington, VIC **68**

GRANT BURGE

BAROSSA

GRANT BURGE WINES FEATURE

Grant Burge Wines was established by Grant and his wife Helen, and is still proudly family owned. Located in the heart of the Barossa, famous around the world for its premium table wines. Grant believes the diversity of terroir, plus the Mediterranean climate of the region provide the perfect environment to make a range of ultra premium wines. Grant Burge Wines is proud to present a wide range of products for the markets of the world.

www.grantburgewines.com.au

Rose

Rosé is a wine that goes through the red winemaking process, but is stopped before extracting too many of the red wine characteristics. Made from the red varieties, the grapes are pressed and the juice sits with the skins for fermentation – but just for a little while – enough time to obtain a bit of colour and a bit of the skin characteristics. The fermentation continues as a white wine, most often in stainless steel. Rosé styles range from sweet or dry, dark or light in colour; aromas include violets, dried roses, wild flowers, strawberries, cherries, raspberries, apple, and lychee & pineapple.

09 Krinklewood Biodynamic Vineyard Francesca Mouvedre Hunter Valley, N.S.W 56 

Pinot Noir

Pinot Noir is the name derived from the French words for “pine” and “black”. This alludes to the varieties’ clustered dark purple pine cone shaped bunches of fruit. A great Pinot Noir creates a lasting impression on the palate and in the memory. Its aroma is often one of the complex of all varieties and can be intense. With ripe grape or black cherry aromas, frequently accented by pronounced spiciness that suggests cinnamon, saffron or mint. Ripe tomato, mushroom, and barnyard smells are common descriptors for identifying Pinot Noir. It is full bodied and rich but not heavy with substantial flavour despite its delicacy. The most appealing quality of Pinot Noir may be its soft, velvety texture. When right, it is like liquid silk, gently caressing the palate.

Gamay

09 Georges Duboeuf Chiroubles Beaujolais, France 55

Merlot

Merlot is a red grape that is used both as a blending grape and for varietal wines. Merlot based wines usually have medium body with hints of berry, plum and currant. Its softness and fleshiness, combined with early ripening, makes Merlot an ideal grape to blend with the late-ripening Cabernet Sauvignon.

Cabernet Sauvignon

Cabernet Sauvignon is one of the world's most widely recognized red grape varieties. In cool regions, the wine is herbaceous and show flavours of green peppers. In regions where the grape is exposed to excess warmth and over-ripening, there is a propensity for the wine to develop flavours of mint, eucalyptus and cooked or stewed blackcurrants. Cabernet Sauvignon with pronounced green pepper flavours earned the nickname of "Monterey Veggies". In parts of Australia, the grape develops more mineral flavours. Resinous Eucalyptus flavours tend to appear in regions that are habitats for the eucalyptus tree.

Shiraz

Shiraz is the fifth most populated city in Iran and the capital of Fars Province. Shiraz is located in the south west of Iran on the Rudkhaneye Khoshk seasonal river. Shiraz is known as the city of poets, wine & flowers. Shiraz is grown in many countries and is primarily used to produce powerful red wines. Shiraz is opulent, powerful and seductive. It displays bold ripe fruit, a fleshy mid palate & soft tannins. Wines made from Shiraz are often quite powerful and full-bodied. The variety produces wines with a wide range of flavour notes, depending on the climate and soil where it is grown. Aroma characteristics can range from violets to berries (usually dark as opposed to red), chocolate, espresso and black pepper. With time in the bottle these “primary” notes are moderated and then supplemented with earthy or savoury notes such as leather and truffle.
